

Appendix 4

Safeguarding our young people...

We are committed to safeguarding and promoting the welfare and wellbeing of our young people. Our recruitment and selection procedures reflect this and follow Durham Local Safeguarding Children's Board (LSCB) procedures.

Where Durham Trinity School & Sports College has reason to be concerned that a child may be subject to significant harm, ill treatment, neglect or other forms of abuse, staff have no alternative but to follow guidance and inform Durham LSCB of their concern.
