

## **Durham Trinity School & Sports College**

### **Educational Visits Policy**

June 2019  
(To be reviewed annually)

## Context

We believe that educational visits are an integral part of the entitlement of every pupil to an effective and balanced curriculum. Appropriately planned visits are known to enhance learning and improve attainment, and so form a key part of what makes Durham Trinity School & Sports College a supportive and effective learning environment. The benefits to pupils of taking part in visits and learning outside the classroom include, but are not limited to:

- Improvements in their ability to cope with change.
- Increased critical curiosity and resilience.
- Opportunities for meaning, making, creativity, developing learning relationships and practicing strategic awareness.
- Increased levels of trust and opportunities to examine the concept of trust (us in them, them in us, them in themselves, them in each other).
- Improved achievement and attainment across a range of curricular subjects. Pupils are active participants not passive consumers, and a wide range of learning styles can flourish.
- Enhanced opportunities for 'real world' 'learning in context' and the development of the social and emotional aspects of intelligence.
- Increased risk management skills through opportunities for involvement in practical risk-benefit decisions in a range of contexts. ie. encouraging pupils to become more risk aware as opposed to risk averse.
- Greater sense of personal responsibility.
- Possibilities for genuine team working including enhanced communication skills.
- Improved environmental appreciation, knowledge, awareness and understanding of a variety of environments.
- Improved awareness and knowledge of the importance and practices of sustainability.
- Physical skill acquisition and the development of a fit and healthy lifestyle.

## Application

Any visit that leaves the school grounds is covered by this policy, whether as part of the curriculum, during school time, or outside the normal school day.

In addition to this Educational Visits Policy, Durham Trinity School & Sports College:

1. Adopts the Local Authority's (LA) document: '**Durham County Council Educational Visits, Off-Site Activities and On-Site Adventures Policy and Guidance**' (All staff have access to this via EVOLVE).
2. Adopts National Guidance [www.oeapng.info](http://www.oeapng.info), (as recommended by the LA).
3. Uses EVOLVE, the web-based planning, notification, approval, monitoring and communication system for off-site activities.

All staff are required to plan and execute visits in line with school policy (i.e. this document), Local Authority policy, and National Guidelines. Staff are particularly directed to be familiar with the roles and responsibilities outlined within the guidance.

## Types of Visit & Approval

There are three 'types' of visit:

- 1. Visits/activities that are part of the normal curriculum and take place during the normal school day.**  
These are entered on EVOLVE by the visit leader and submitted to the EVC for checking. The EVC (if different from the Head) then submits to the Head for approval. This type of visit may be recurring for a term or a school year i.e. college visits as part of weekly curriculum, educational visits linked to topic work that occur weekly and are part of the scheduled timetable. In such instances the parental consent will last from a few weeks up to one school year, depending on the activity.
- 2. Other non-residential visits within the UK that do not involve an adventurous activity.**  
These are entered on EVOLVE by the visit leader and submitted to the EVC for checking. The EVC (if different from the Head) then submits to the Head for approval.
- 3. Visits that are overseas, residential, or involve an adventurous activity.**  
As above, but the Head authorises and then submits to the LA for approval. Note that there are a number of venues which have been given delegated approval so the Head can approve – see Evolve for the most up to date list.

## Roles and Responsibilities

**Visit leaders** are responsible for the planning of their visits, and for entering these on EVOLVE (where required). They should obtain outline permission for a visit from the Head Teacher or EVC prior to planning, and certainly before making any commitments. Visit leaders have responsibility for ensuring that their visits will comply with all relevant guidance and requirements.

**The Educational Visits Coordinator (EVC)** is Mrs Young (Director of Sports) and Mrs Grimwood (Head), who will support and challenge colleagues over visits and learning outside the classroom (LOtC) activities. The EVC (if not the Head) is the first point of contact for advice on visit related matters, and will check final visit plans on EVOLVE before submitting them to the Head. The EVC sets up and manages the staff accounts on EVOLVE, and uploads generic school documents, etc.

**The Head Teacher** has responsibility for authorising all visits, and for submitting all overseas, residential or adventurous activity visits to the LA for approval, via EVOLVE.

**The Governing Body's** role is that of a 'critical friend'. There is no requirement for governors to approve visits but they will be informed at regular governor meetings what visits have taken place and what is planned. Individual governors may request 'read-only' access to EVOLVE.

**The Local Authority** is responsible for the final approval (via EVOLVE) of all visits that are either overseas, residential, and/or involve an adventurous activity.

## Staff Competence

We recognise that staff competence is the single most important factor in the safe management of visits, and so we support staff in developing their competence in the following ways:

- An apprenticeship system, where staff new to visits assist and work alongside experienced visit leaders before taking on a leadership role.
- Supervision by senior staff on some educational visits.

- Support for staff to attend training courses relevant to their role, where necessary.

In deciding whether a member of staff is competent to be a visit leader, the Head Teacher will take into account the following factors:

- Relevant experience.
- Previous relevant training.
- The prospective leader's ability to make dynamic risk management judgements, and take charge in the event of an emergency.
- Knowledge of the pupils, the venue, and the activities to be undertaken.

## Emergency Procedures

Every visit will have nominated emergency contacts. If the visit is off site for only the duration of the school day the school telephone number is sufficient to give as an emergency contact. However, if the visit is of a residential nature **two** 24hr contact numbers will be identified (i.e. mobile and/or home phone number). The emergency contacts will have a copy of the Emergency Card (EV8) with the relevant emergency contact details on. They will also have access to all the relevant medical and next of kin information. The visit leader will have a completed Emergency Card (EV7) with them at all times (this will detail the contact details for the emergency contacts).

**A critical incident is any incident where events go beyond the normal coping mechanisms and experience of the visit leadership team.**

The school has an emergency plan in place to deal with a critical incident during a visit (see Appendix 1). All staff on visits are familiar with this plan and it is tested at least bi-annually and following any major staffing changes.

When an incident overwhelms the establishment's emergency response capability, or where it involves serious injury or fatality, or where it is likely to attract media attention then assistance will be sought from the local authority.

## Educational Visits Checklist

Durham Trinity School & Sports College Educational Visits Checklist forms part of the risk management process for visits and off-site activities. This has been adapted from the LA's generic checklist. A visit should only go ahead if the answer to all relevant questions is 'YES'. Durham Trinity School & Sports College Educational Visits Checklist may be downloaded from EVOLVE Resources.

## Parental Consent

Consent is required for activities within the School day that are part of the normal curriculum during normal school time, parents will always be informed of the detail when their child is undertaking an educational visit off site.

Written consent is requested for activities that occur off site (EV4). Where there is a regular timetabled educational visit an annual/termly (depending on duration of activity) consent will be signed by the parents on an annual basis and kept informed regarding weekly destinations.

Specific parental consent will be obtained for visits of a residential, overseas or adventurous nature. For these visits, sufficient information must be made available to parents so that consent is given on a 'fully informed' basis.

## Inclusion

All pupils have clearly identified special educational needs.

Durham Trinity School & Sports College will make reasonable adjustments to avoid individual participants being placed at a substantial disadvantage. However, the Equality Act does not require us to place employees or participants at risk of injury or ill health in order to make reasonable adjustments.

If appropriate, we may ask the parent/carer of a particular pupil to accompany them on the visit. If there are any concerns about whether school can provide for a pupil's safety or the safety of others on a visit due the specific needs of a pupil we will seek advice from the DCC Health & Safety Team.

## Charging / funding for visits

Durham Trinity School & Sports College will arrange payment for visits on an individual visit basis, Visits such as residential trips, which will be more expensive, will have arrangements in place for payment to be made gradually over a period of time leading up to the visit.

Those pupils who receive specific benefits may be entitled to attend the visit with no charge. This will be assessed on a case by case basis.

## Transport

**Use of school minibus/self drive minibus** – The Caretakers carry out daily pre-use checks on the school mini buses. The driver must have completed MIDAS training. School follows National Guidance.

**Use of staff cars to transport pupils** – Durham Trinity School & Sports College follows the Local Authority advice.

**Use of Parents and Volunteers Cars** – Durham Trinity School & Sports College follows the guidance in the DCC Educational Visits Policy. The Parent and Volunteer Drivers Agreement form (EV5) will be completed and retained in school. This will be done on an annual basis. Durham Trinity School & Sports College will ensure supervision arrangements are considered and the relevant DBS checks are undertaken. We will also complete the Driving at Work Risk Assessment. (this will also be done where employees are using their own vehicle to transport pupils.)

When transporting pupils in private vehicles Durham Trinity School & Sports College will ensure the relevant car seats are used as required by law and that the appropriate insurance is in place.

## Insurance

Durham Trinity School & Sports College is covered by DCC Employers Liability and Public Liability insurance for activities when away from the school site, home base or when employees are working in the community within the UK. We are not covered for personal accident benefits or loss of personal property while on educational visits. If necessary we can arrange this insurance for individual visits.

For overseas visits separate insurance will be taken out.

## Appendix 1 – Emergency Procedure

The school's emergency response to an incident is based on the following key factors:

1. There is always a nominated emergency base contact for any visit (during school hours this may be the school office/senior staff school mobile number).
2. This nominated base contact will either be an experienced member of the senior management team, or will be able to contact an experienced senior manager at all times.
3. For activities that take place during normal school hours, the visit leadership team will be aware of any relevant medical information for all participants, including staff.
4. For activities that take place outside normal school hours, the visit leadership team and the emergency contact/s will be aware of any relevant medical information and emergency contact information for all participants, including staff.
5. The visit leader/s and the base contact/s know to request support from the local authority in the event that an incident overwhelms the establishment's emergency response capability, involves serious injury or fatality, or where it is likely to attract media attention.
6. For visits that take place outside the School Learning Area, the visit leader will carry an Emergency Card (EV7).
7. This Emergency Procedure is tested through both desk top exercises and periodic scenario calls from visit leaders.
