

Dear Sir/Madam,

Durham City AFC

Durham City AFC are a football club with roots that go back almost 100 years in the historic City of Durham. Our history makes interesting reading and includes many 'ups and downs'. We are affiliated to the Football Association and the Durham Football Association.

We currently play in the First Division of the Northern League, the 2nd oldest football league in the world and second only to the English Football League itself. This league is undoubtedly the strongest league in the country at this level and the regular trips down the A1 to Wembley from it's constituent teams who more often than not return with silverware is testimony to this.

Like most clubs who play at our level we are suffering a decline in support and are currently exploring ways to reverse this trend. We would therefore like to offer you, your colleagues and pupils and their immediate families an invitation to attend a league game of your choice during the current season free of charge.

We are located on the fringe of Belmont Industrial Estate and play our games in a purpose built stadium on Saturday afternoons (kick off 3pm) and Tuesday evenings (kick off 7.30pm). Details of all fixtures, tables and results and other information can be found on our website at www.durhamcityafc.com . Competitively priced hot and cold refreshments will be available as well as matchday programmes. We also operate a half-time prize draw for anyone who is interested.

We operate in a professional manner and carry the status of FA Charter Standard Club and all of our playing staff including the physiotherapist are well qualified in their chosen fields. We are run by a small number of hard working and dedicated Board Members who oversee all operations and are ably assisted by a committed group of volunteers.

We would like to think that anyone coming to one of our games will enjoy the experience and want to come back hopefully again and again.

If you wish to avail yourselves of this offer please do not hesitate to contact me and I will make the necessary arrangements.

Yours sincerely

Simon Carey
Durham City AFC
