

Durham Trinity School & Sports College
Final IMPACT Report of Sport Premium 2015-16

What is Sport Premium?

Sport Premium is ring fenced funding available to primary schools to improve the quality of P.E. and sport activities they offer their children. At Durham Trinity School & Sports College we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils.

The funding school receives is based upon the number of children of primary age the school has.

The sport premium funding has been used to:-

Provide pupils with qualified P.E specialists to deliver their P.E. lesson.

Invest in the Durham and Chester le St school sport partnership.

Provide pupils with a P.E. apprentice to support their development in P.E. and school sport.

Increase the quality & breadth of PE & Sport provision and increasing participation in PE & Sport.

Employ suitable coaches to work with our children in school sport.

Sport Premium funding for Durham Trinity School & Sports College was £8335.00

The money was used for:

- 1) **Investing in the Durham & Chester-le-Street School Sport Partnership (www.durhamclssp.org.uk) Basic Service Level Agreement**
to provide the school with the following:

ACTION	IMPACT
Provision of a minimum of 3 x 6 week blocks of curriculum and/or after-school activity in a variety of sports.	Coaches/P.E. Apprentice have worked with primary classes in basketball, football, short tennis, multi skills, dance and athletics. Coaches/ P.E.apprentice work with pupils and class staff which has developed general staff skills further. (Evidence available on school website).
SSP Network meetings to support PE Co-ordinators / PLTs in their role developing PE & sport.	Primary staff have increased their PE subject knowledge and understanding of the PLT co-ordinator role. (BB attended PLT sessions, cascaded information to P.E. department and primary staff)
Promotion and development of links to local sports club.	By pupils accessing additional sessions (extracurricular and coaching sessions) pupils are signposted to community based clubs/identified pathways for gifted and talented. Details in Sports Director reports/after school club registers and photographic evidence.
Access to Phase 4 of Judo programme for every young person in school.	Pupils accessed this programme via a planned programme in addition to their PE weekly entitlement. As a result of this input pupils have accessed community based clubs.
Access to Team Durham (Durham University).	Pupils participate in the annual Zambia run with other schools. This promotes inclusion, SMSC and social skills. University provide PHE lesson input. Pupils raise money for Zambia and experience success.
Central co-ordination of school sport programmes in SSP area.	As a result of school being involved in a wider and greater number of opportunities staff have an increased depth of information and

	<p>knowledge. This enables school to target specific activities to specific pupils in addition to school PE activities. The impact of this includes pupils having a wider experience base which develops further their physical and social skills and gives them more opportunities to be involved in community links and competitive pathways.</p>
